## MANAGEMENT'S MESSAGE

During the last ten years Qatar has successfully placed itself as an international economic phenomenon turning into a model of regional development and solid economy, thriving tourism and real estate. Qatar has swiftly gained an enviable reputation as a hub for education, medicine, finance and sports, and today Qatar is widely acknowledged as key player in the economic and social reform which is sweeping throughout the G.C.C region.

Day after day Bani Hashim continues to achieve success in an increasingly competitive market. This success has been realized by the dedication and hard work of its managers, staff and workforce. In the years to come we shall continue to expand the company's core activities, while actively seeking new opportunities to accommodate the rapidly changing market conditions in the State of Qatar.

I would like to just touch on the fact that if our continuous growth and success is to be credited, then I would have to give this credit to the valued trust of our clients and partners. On behalf of everyone employed by the company I would like to thank you for choosing Bani Hashim Trading as your business partner, assuring you that we will spare no effort to keep this precious trust that you have so kindly given us.

Yours Sincerely,
